May the One who blessed our ancestors
Bless all those who put themselves at risk to
care for the sick —
Physicians and nurses and orderlies,
Technicians and home health aides,
EMTs and pharmacists,
(And bless especially ____________)  
Who navigate the unfolding dangers of the
world each day
To tend to those they have sworn to help.

Bless them in their coming home and bless
them in their going out.

Ease their fear. Sustain them.

Source of all breath, healer of all beings,
Protect them and restore their hope.

Strengthen them, that they may bring strength;
Keep them in health, that they may bring heal-
ing.

Help them know again a time when they can
breathe without fear.

Bless the sacred work of their hands.

May this plague pass from among us, speedily
and in our days.
